“ *I'm mia his grand daughter. It's been 8 years with out you and i miss you so much. Those random memory's of me stealing candy from your bedroom drawers or you spoiling me with stuff. I love you so much and i know you are still watching all of us. I'm sad your gone but i'm also happy you aren't suffering anymore dealing with cancer. I miss you so much and i love you.*

“ *David had a voice that could calm anyone. He always had a always positive attitude towards everything. His grand kids meant the world to him. He was the best grandpa anyone could have. He will all be with us in our hearts. Mia said she love papa dearly.*

“ *What can I say? You were a father to me and Vicki a 2nd mother. Shaun and I never felt left out because we weren't blood family. Anytime we needed advice, you were there. Anytime we needed a laugh, you were there. Mia and Shaun just loved you beyond words. Whether you knew it or not you were truly loved. Like crystal said " heaven gained a hero". Till we meet again..*

“ Leila, Janet, Billy, and all the rest of the family. It's been a long long time, but I remember David. He was a little "pest" when I was around your house (as all little brother and sisters are) but a good boy. I'm so sorry to hear of his passing. Leila, NO parent should have to see their child buried, and no older siblings should have to see their younger brother pass. My deepest sympathies to you all. Take comfort in God now. He will help you heal. With much love....an old friend.

“ Uncle David,
I will always treasure the moments... You were always honest with me and you taught me so much by example... You very seldom said negative out loud... You held strong to your beliefs and treasured the good in people.... I know I still hear random songs and think of the first time I heard them with you! The countless times you turned the music up to drown my babble out of love of course.. The look on your face the day of my wedding as you, grandpa and I stood at the doors conversing over my escape or next chapter... The day you smiled at my three day old daughter and said I did good... Over the years I confided in you and Aunt Vicky in my hard times, shared my joys and never doubted your words of advise or reason..... You and Vicky were my guidance in the path of lif at several hard turns I will always be grateful... You worked hard to take care of yours and you never left room for doubt of your love for Your Wife, kids, grandkids or the other loved ones in your circles! I know you are still with us and you will continue to watch and protect us all, in your way... When we take time to watch a moment of nature or hear a forgotten song or catch a glimpse of you from days gone by... We will remember....NO Goodbye from me, Until we meet again I am sending my love to you on the wings of a dragon or two..... Love Cathi Sue

“ How do I say goodbye to my older brother always there with his smile and wit? As with most siblings we could argue among ourselves but let anyone else start anything with us and he was always there to jump in. Some of my best memories of growing up were the vacations we took. Like Disney World being chased by an armadillo around the camp ground having no ideal what it was. Then when he married Vicky he gave me another sister to love, then came his pride and joys from the moment of their births Crystal and Shawn. Then the grandchildren that he was just as proud of to be papa to. Lost much to soon too those of us left behind to carry on. How do we say goodbye to brother, son, husband, father, papa and friend? With a heavy heart and tears in my eyes I say so long for now I'll see you later.

Love You Always,
Pammie

“ Dave, You've been in our family for 40 years. In all the years you were an awesome husband to Vicki. We have grown to know and love you. You had become a great father and grandfather (papa) Your passing has been very hard. David, you are gone too soon and have left a giant hole in our hearts. Dave, you didn't know how much you were loved by everyone. Love you my nephew in law. You are free of pain
