“ Penny, Robert, Samantha and David Jr.,

There are no words to express how truly sorry I am for your loss; or to make the grief any easier to bear. Just know you have a wonderful family and great friends to lean on. We are all here for all of you. You are all in my thoughts.

“ I want to take a moment to tell you how deeply saddened I am today. You have always been so special to me. I began my life with this special person and although he moved on to a wonderful family I have never forgotten and always cherished our time together. To the Fike family, I love you guys. I will keep you in my thoughts, prayers and deep in my heart forever.

“ *Though I have an idea of what you're going through, I cannot think of words that will fully comfort you. Things will be rough at first, but you'll eventually heal. Years from now you'll be busy with your life (and I hope enjoying it) and a random memory of Dave will pop up at the oddest moment. They will sometimes be pleasant, sometimes serious, sometimes funny. Treasure them.*

“ *Aunt Pat and Uncle Scott,*

Please know that you are in our thoughts and prayers. I was stunned to hear of David's untimely passing. I have so many wonderful memories of times spent with the whole family when I was little. David was always such a kind, caring, and fun loving person. I believe that he is at peace in heaven with Grandma K. and Scotty. I know this is a difficult time for you. Please let me know if I can do anything. I would love if we could get together sometime in the near future. We are only 5 hours away. Hopefully we can see each other soon. In the meantime, we love you and will continue to pray for everyone.

Love,

Michelle, Griffin and Riley

“ Nothing I say or write right now can make my Big sis or her family feel better. Just know all of you are in my thoughts constantly right now. If I could change this or make the pain go away I would. If you need anything right now or a year from now I'm here for all of you!!!!
