

David Earl Searcy

August 18, 1944 - May 20, 2024

David Earl Searcy was born August 18, 1944 in Blue Earth, Minnesota to Fan and Earl Searcy. Dave grew up in Blue Earth, graduated from Blue Earth High School in 1962, and enlisted in the Army in 1966, serving in Vietnam in 1969. Upon returning home in 1969, he attended and graduated from Mankato State College where he met Mary Susan Rosengren. Dave and Mary were married in July of 1972 and resided in Medina, Minnesota. They were the proud parents of Scott, Nicole, Josh & Kathryn.

Dave had a long career with Genuine Parts Company which brought him to the Omaha area in 1988. Dave started his lawn/landscape business, A Cut Above, with his sons in 1997. The company later merged with CM'S/A Cut Above, from which he retired in 2019. Dave accomplished much in his careers, but his greatest joys came in serving his Lord, Jesus Christ and loving his wife, Mary and their family, Scott & Carla Searcy, Nicole & Cory Jensen, Josh & Stef Searcy, and their 6 grandchildren: Clete, Landon, Kate, Hallie, Liam & Quinn. He rarely missed a sporting event or family celebration and quietly cheered them on in each endeavor.

Dave used his musical gifts by singing in church choirs and on worship teams; he loved to study the Bible and was a part of several Bible Study groups. He was passionate about serving and giving and was known as a servant leader. He is also survived by his sister, Betty Lunneman; sisters-in-law, Linda Mills

and Judy Rosengren; and many nieces and nephews.

He passed away on May 20, 2024, where he was greeted in heaven by his Lord and Savior Jesus Christ; his parents, Fan & Earl Searcy; and his infant daughter, Kathryn Joy.

“ *So many memories over the years! Most every memory I can think of included Dave either laughing or at the very least smiling. He was always quick to jump in with whatever activities us kids were doing from skiing, to driveway basketball, hockey, canoeing, etc.. As I grew up, I also got to work with him in lawn care and he always took time to care about me and ask how the family was doing whenever our paths crossed. I always enjoyed being around him. Unless I had to help him with technology. :) No technology in heaven Dave! You will be missed here though!*
