“ Linda and family, I am so sorry to read of Dean's passing. It has been a long time since we have been in touch, but I have many happy memories of when you lived in Columbus and good times we shared. Dean was just four months younger than Cliff, and both are gone too soon for family's loss. May you find comfort in the precious promise of God's Word. I would love to meet for a cup of coffee sometime if possible in the future. Thinking of you with sympathy,
