Due to Covid-19, All Services at this time are private.

Memorials to the family for later designation.

A public Celebration of Life will be held at a later date.

Dean Herman Hansen was born on April 24, 1933 in Elkhorn, Nebraska to Herman and Martha (Stender) Hansen. He grew up on the family farm on West Center Rd. Dean attended Elkhorn Elementary School and graduated from Elkhorn High School in 1951. From an early age, Dean had a passion for music, especially the accordion. Dean contracted polio at the age of 4 and doctors told the family that he would struggle to walk and would not be able to farm. Dean proved them wrong. At the age of 8, Dean took up the accordion and after lessons from Fritz Poppe, Donald Rolfs and at Johnny Svoboda's Music Center, Dean honed his musical skills. Though perseverance and several surgeries he learned to walk again. After high school, Dean spent a year on the road with the Herb Molter Band, then returned to the farm to help his dad. In July of 1952, Dean received a call from the Sparta Orchestra and he played with them for a few years, during which they were featured on the weekly KMA radio station in Shenandoah, Iowa.

Dean met Marguerite Blumer at a dance in Millard and they were married on March 5, 1955 in Millard. Dean and Marguerite were blessed with four children: Murray, Marla, Lonny and Lynette. They raised their family on the

Center St. farm until moving to the farm south of Mead where they have lived for the past 49 years.

Dean's passions were all interwoven, his family, his music and the farm. Each was a part of the other and they gave him great joy. Early on, he played with Eddy Janak and Ernie Kucera before starting his own band in 1979 which featured his children. The Dean Hansen Orchestra performed in Nebraska and surrounding states for over 40 years. He has been enshrined in the Sokol Hall of Fame in Omaha and the International Music Hall of Fame in Buffalo, New York. Dean was most happy when he was with his family, playing music and tending to his farm. Dean and Marguerite had spent a short time at a facility in Omaha but after consistent and strong persuasion from Dean, they returned back to the farm. On Wednesday, August 12, 2020, during a visit from the Home Care Nurse, Dean became ill and was rushed to the Hospital.

Dean passed away on Wednesday, August 12, 2020 at the Saunders County Medical Center in Wahoo, Nebraska at the age of 87 years, 3 months and 19 days. He was preceded in death by his parents Herman and Martha and son Murray. Dean is survived by his wife of 65 years, Marguerite; son Lonny (Denise) of Ithaca, Nebraska; daughters Marla (Richard) Janak of Papillion, Nebraska and Lynette Hansen of Blair, Nebraska; grandson Jared (Taylor) Janak of Maricopa, Arizona.

“ Lots of memories about Dean and his family and farm. 1st time we visited was in 1970, Dean was out spreading manure and was wearing his farm tuxedo when he came home to visit with us. We talked music for about 4 hours and I asked why he didn't play the concertina since he was so great on piano accordion and button accordion. He said wait a minute and came back with a concertina to play a tune. He said he doesn't play it in public. We visited the farm at least 4 times and he and wife Marguerite always took the time to show us around and we took turns buying each other a meal. Always enjoyed the band over many years as they always had good arrangements and musicianship. Will miss Dean but it was a pleasure to call him a friend for 40 years. Talked to him on the phone about a month ago, when they were both in a nursing home, and said he couldn't wait to get back to the farm. He didn't make it.

“ I will never forget the good times had by all on the Hansen Bus Trips to different Polka Fests in the Midwest. Always a great time, and Dean always picked out the best places to eat during our trips. We were never hungry, that is for sure. I will miss your happy face and smile whenever I visited with you, and danced to your great band. Heaven has just gained a fantastic musician.

“ *I never will forget sitting down at the Platt Duetsche in Grand Island Ne. when I was a youngster and Dean playing with the Ernie Kucera Band. The people down there always said how much better he made the band. He raised everyone he played with a couple notches! I always enjoyed his style of playing but more than that, he was just a joy to be around and visit with. I know he touched thousands of people's lives and so many of us will miss him. With Heartfelt Sympathy to the family of Dean Hansen.*

“ *An addendum to my memory, the two bands on the same stage would play certain tunes together like When I Sleep Polka, Schuplattler Polka, and other selections. The crowd at the dances enjoyed every moment of it, and the bands enjoyed doing it.*

“ Oh, all the memories. The Dean Hansen Orchestra and Ray Dorschner's Rainbow Valley Dutchmen on the same stage together at many polka festivals. Ellsworth, WI, Tabor, SD, Germanfest in Milwaukee, WI, Starlite Ballroom in Wahoo, NE. Maybe there are others that I have missed?
What a wonderful band and through Dean, I was introduced to Marla and Lonny. The memories and the music will live on forever.

“ *Sending my sympathy to Dean's family. Dean was our neighbor when he had a farm on center street. My sister took accordion lessons from him and after she passed away he called and we had a good talk remembering the good days in Elkhorn. Dean and his orchestra played for our wedding dance and my dad's, Fritz Paaach, cob dances. What great memories. Thanks Dean....and I know Dean and his son are playing some great polka music in Heaven right now. RIP*

“ As a 15 year old Dean entertained our afternoon wedding reception guests at Bev's parents farm near Bennington. This was a surprise scheduled by Bev's Dad. A very professional entertainer for a young man. I always enjoyed seeing the band in one of the TV polka shows. May God Bless Dean and all in his Family.

Sympathy to Marguerite and the family on the passing of Dean. He was a true legend in the polka world. Dad (Leonard Piitz) always enjoyed playing with Dean during his years with the Ernie Kucera Orchestra. The last time I saw Dean was in Abie where we had a good, long visit about the "good old days" and we were looking at the pictures of a Texas orchestra trip in the 60's where Dean was holding a gigantic watermelon. May good memories bring you comfort in the days ahead.
