“ Deb, my very dear friend, I am still trying to wrap my head around this! So many fun times over the last 45 years - trips with you and Steve to the lake, countless Aggravation games, concerts, shopping, sharing the joys and occasional frustrations of being parents, welcoming grandchildren, etc. I will miss our long conversations late into the night most of all. But I know you are enjoying the reunion with Steve and other loved ones who also left too soon. Rest in peace ❤️ Rita
