“ *Dear Dwaine, I don't know if the message I tried to leave a few minutes ago "took" or not. I am having trouble with this website. I was so sorry to read about the death of Debbie. I remember meeting her at our ten year reunion. The last few years must have been difficult for you and the children and my prayers will be with you all as you adjust to this loss. Former Ike classmate, Anne Crose Schilperoort (I am heading up a class reunion for next summer, August 4, and would love to send you an invitation but i have no address. Please contact me at 509 469 8453, Anne*

“ *It seems so unfair that death should hold the power over us to take someone away that you love. Even though many of us have a strong faith, it doesn't make it any easier to think that we won't be able to talk and laugh with and hug this person. The Bible holds out a hope for us that I personally have found to be a comfort. Jesus promises that millions now dead will again live on this earth, and have the prospect of remaining on it forever under peaceful conditions. Most have all prayed for that time when they say the Lords prayer, "Our Father in Heaven let your Kingdom comealso upon the EARTH.....". I hope that during this difficult time you can rely on God, who can give us the "power beyond what is normal"(2 Corinth 4:7) just to get through from one day to the next. Our thoughts and prayers are with you during this time.*

“ Dear Ralph and family: Although it has been many years since we have embraced we remember Debbie and what a sweet young girl she was and how she enjoyed life and made life happier for all about her. Our thoughts have been with you all these years because of your kindness to us during our time in Yakima. Our prayers are with you at this time and also share our faith and comfort in eternal life and reunion.

“ I was one of Debbie's seminary teachers in Yakima, WA where her future husband, Dwaine, was also one of my students. She always had a bright smile and made us all feel better by being around her. I remember she went to work right out of high school while Dwaine went on a two year mission. She waited for his return so they could be married in the temple. My wife, Carolynn, and I send our heartfelt condolences to Dwaine and all family members.
