“ My condolences to the family of Dee Micheel. I worked with Dee at FNBO. I have lots of memories of her. Most of them include her fun laugh, whether it be when she was sharing her true pride about her daughters or a giggle about a man-friend. I also remember her heartbreak and tears when her grandson was stillborn. After her retirement, I ran into her on occasion in Bennington. She was always a happy person. I last saw her at her 85th birthday party. I am so happy the family held this event to celebrate her. She will be missed.
