“ *Dear Canady Family;*

While reading the online obituary, I observed the death of your love one.

Death is an enemy to mankind and who can understand it? It can and dose have a devastating effect on you and your family as well.

Can you imagine reading a newspaper with the headline; "When Death is Swallowed Up Forever....." What a wonderful time that will be. Revelation 21:4 offers this hope, it states: "And he (God) will wipe out every tear from their eyes and death will be no more, neither will morning nor outcry nor pain be anymore. " The former things have passed away." What a comforting hope.

If you would be interested in learning even more, I can send you a little tract that is entitle "What Hope for Dead Loved Ones"? If you have any Questions please feel free to contact me at this e-mail address here (b.molina56@yahoo.com).

I offer my sincere condolences, may the God of peace be with you and your family.

*Sincerely Yours,

“ Dear Family of Delva (Dee) Canady

I wish to extend my heartfelt sympathy to you now in the passing of your wonderful mother. I can only imagine how you will miss her. I first met Dee when she came to work at MBT in Forest City. What a lovely and fun person she was...always upbeat, smiling and caring. She spoke fondly of her "girls" ...I admired how she glowed over your father, Jack and even tho she missed him when he left, she made the most of her days. Another banker friend, Carol Burress and I went to visit her several years ago in her neat assisted living apartment in Clear Lake. We took her out to lunch in Carol's convertible with top down of course. I can still hear her laughing from the back seat as we cruised main street. Dee got me started with her "Pinch and a Punch for the First of the Month" routine, and I continue to carry on her fun tradition with my own family. I pray our Heavenly Father will hold you near, to Bless Your Families, comfort you, give you hope and assurance your dear mother now abides with Him in Heavenly Realm. I had no idea of your mom's age, as she was one of those "forever young" people. I'm thankful to have known her.

With Sympathy and Love to "Her Girls".....
