“ *Virginia,
We were so sorry to hear that Dennis passed away. I enjoyed the time we visited during his therapy sessions. He always had compliments for my boys during their years of high school sports. Your family has our sincere sympathy.*

“ *My deepest sympathy Virginia, to you and your family. I remember Dennis with his grey fastback in 1957. He was cruising the streets of Yutan and was so proud of that car. What great memories I have. I'm so sorry for your loss and pray for the strength that you will need.*
