“ *My deepest sympathy to you and your family. A few of my friends and I from Hartington, Ne met Denny at UNL. We all hung out on the weekends , going to husker games and we spent a weekend in his parents ginger cove home having a great time water skiing, Eating and a Little spirit consumption. He would brag a little about the Commercial he was in on the ABC channel in Omaha. He was a great guy. Deeply Sorry for your loss!*

“ *So sorry for the loss of such a dear one. Though such loss can cause us distress, please remember, “when under trial, let no one say: ‘I am being tried by God.’ For with evil things God cannot be tried, nor does he himself try anyone.” (James 1:13) Rather, may the God of all comfort give you peace.*

“ *Sending many condolences to the family and friends of Denny. I have so many memories of him at Central - we spent so much time in choir and doing shows together. I am so sad to think of him not being around to share his incredible smile and great sense of humor, and I will keep all of you in my thoughts. Special hugs to Matt, his mom, and his sister Shaun, all of whom I got to know during our Central years.*

“ One of my favorite memories of Denny was at Okoboji... The cousins (Nancy, Denny, Shawn, Matt, Julie & I) had dinner clean up duty at Aunt Helens cottage. Dennis grabbed a spatula and started singing and we all spent the next 1/2 hour dancing and singing together while cleaning.

Another precious memory was him singing at Bill Day's funeral. He is forever in our hearts!

“ Thirty-two years ago today this incredible singer sang at my wedding. There are many of us who will never forget Denny singing Ave Maria as it echoed through the beautiful cathedral ceilings of Blessed Sacrament. What a special day he made it

Cousin, for all the times you made me laugh, I thank you. Your sense of humor and your contagious laugh, I thank you.

There will be a big void in many lives. Many prayers Aunt Patty and the entire family.

“ I was introduced to Denny several years ago by my oldest son. We met playing pool. In the years since, I came to appreciate the unique man that Denny was.

He provided a limo service for our daughter's wedding, and last year my wife and I were treated to an excellent limo ride to see the Christmas lights. Denny knew where to go and what to see. He will be missed greatly.
