“ *To the family of Donald Feller, May you find peace and comfort knowing that God will soon bring relief from sickness and death. (Revelation 21:3-5) and restore the earth and mankind to his original purpose (Genesis 1:26-28) by means of his Son. (John 3:16) These encouraging verses and more helpful comfort is available in God's Word the Bible. May God be with you during this most difficult time.*

“ Our deepest sympathies to Corrine and all of the wonderful Feller family. We were privileged to live next door to Don and Corinne in Elkhorn for 13 years. Our friendship has continued and been renewed over the following 18 years, even though we had greater distances between our homes. We have highly valued that 31-year relationship, and will sorely miss him on our visits to Nebraska. We have known few men his equal in wisdom, compassion, good humor, and strength of character. His descendants all radiate the legacy of a wise and loving father and grandfather whose example spoke volumes. His long and productive life was richly blessed with family warmth, strong values, and clear thinking. No one could ask for more in the realm of things that money cannot buy, but he earned all the blessings that he received. The most exalted of his blessings: the strength and support of a loving wife and companion of nearly seven decades.

“ *Condolences to Dons family. Truly an interesting man. We were on his milk route in Sarpy County many years ago and when we got a chance to talk together those conversations were always enjoyable. The cows and the old farm are long gone and memories of the milk truck coming live on. Peace be with you.*
