“ *I was shocked to learn of Don's passing on my return this weekend from my trip to St. Louis. Don played tennis with our group of 20-30 tennis players and was well liked and respected by all. My sympathy is extended to Mary and other loved ones.*

“ *I was very shocked to learn of Mr Overholts passing. He was a very unique and kind person through all the years I knew him. I worked for Don and his partners from the moment they bought Harm Auto Parts thru the Parts Exchange and Husky Forklift days and enjoyed every day of it. They were not only my bosses, but true friends as well. My sincere condolences to all his family, the world has lost a true gentleman and friend.*
