“ *Pat and family,
I was so sorry to read of Don's death. Lee always thought the world of him, and you, also! May God comfort you in your sorrow.*

“ *Dear Pat and all the family,*

I just learned of Don's passing, and was so very sorry to know of your bereavement. I rejoice with you, too, of course, to know that Don is at last with his Savior, Jesus, a triumph to which each of us looks forward with greatest anticipation. As we also now in Advent anticipate the celebration of Jesus' birth, we look forward to his second coming, and the glory of that heavenly kingdom and our unending life of bliss with Him, our gracious Lord and King. God bless you during this time of adjustment, and may each family member feel God's tender touch of grace.

“ *Pat and Family~
This was such a shock to hear. As a former co-worker of Don in the Valmont CafÃ© I fondly recall many memories and good conversations with a TRULY remarkable and caring man!
To each of you whom he always spoke of with such affection - I am so very sorry for your loss. The world has lost great goodness in him! In your deep sadness may you find peace and comfort in knowing the blessing that he was to many people.
Counting myself as blessed in knowing him...*
