“ *Aunt Sue & All the Family, I was sorry to hear of your loss...I thought the service was very nice today, a good choice of scriptures & Very good songs. I would of not missed being there for the world... I admired Donnie, I always will remember our meetings at Wal-mart, & what Donnie brought to my Life... May the Lord be with all of you... As i grow in age, I try to live to pay things forward, But I think Donnie knew this long before I did... I will leave you with this "TO KNOW DONNIE-IS TO LOVE DONNIE"..*

“ *To Donnie's Family-I hope in your time of grief as you reflect upon Donnie's life that you remember just how wonderful Donnie was. I was his friend for 54 years and in all that time I never heard him say anything negative about anyone. If the world had a few more Donnie's it would be a much nicer place. He was a proud father, grandfather and Sue was his life. I am sorry to lose such a good friend, but I know that he's up there making a place for his children, grandchildren and loving wife. I was proud to know Donnie and I will miss him dearly. I regret that I was not able to attend his services, but I am recuperating from surgery- in fact I was in the hospital when Donnie was there-just down the hall. So sorry for your loss-Hank Hert*

“ *To the Renter Family, I worked with Don for many years out in the southyard. I also talked to him at Valmont right before he retired. Don was a good person, hardly ever got mad at anybody, and I held great respect for him. I'm sorry that he didn't get to enjoy his time off as he had planned. May GOD be with him, and his family.
