“ *Dear Eipperle Family,
I am sorry to hear about your loss. The pain that one feels when a love one fall's asleep in death can cause deep pain. I found the best comfort can be found in Gods words the Bible which give much comfort and hope. Jesus words at John 5:28 and 29, promise a resurrection for all who are in God's memory what a wonderful time this will be when we get to see our dear love one again.
Sincerely,
India*

“ Please accept my sincere condolences for your loss. I only knew Donna through the conversations with Doug and even so, it was clear she was a special person and the world is less bright without her. My thoughts and prayers are with you and your family.

“ Doug and family,

The world is a lesser place without Donna's smile. We have long happy memories of being with the two of you in Omaha and sharing good times together as we raised our small children. Donna's sudden loss leaves a heavy sadness in our hearts. We're lucky to have shared some very special years with the two of you and your great kids - you are a wonderful family and Donna will smile from heaven as she watches over you. To say we're sorry for your loss is a serious understatement.

Always in our hearts,

Dennis, Lori, Sarah and Brandon Farrell
