“ Donna was my sister’s mother-in-law. From the beginning she was supportive of Melanie and welcoming to Melanie’s entire family. She’s been part of my life for more than 45 years and I already miss her.

“ Donna was one of the best neighbors we had in Prairie Lane. What a tremendous life of near ninety and her memories will certainly help ease the pain of her absence. My memory goes like this: I was in 6th or 7th grade at MOQ and a 4th or 5th grader who was bigger than I was had been picking on me pretty much every recess. One day I told him to meet me after school(in the backyard)at the house on the corner, just past the rectory. I got him pretty good and was bleeding a bit myself when Donna pulled up in her car and told us to get in. She drove us directly to the principals office and we got detention 🦵🏆👍😬 A genuinely caring person she was, through and through ❤️👍
