“ Your family will be in our thoughts and prayers in coming days. Dr. White epitomized those virtues and abilities one seeks in a physician. We felt most fortunate to be patients of "Dr. White," a man whose ready smile, genuine concern, and considerable gifts as a physician brought first rate care and friendship to so many. May God bring you comfort and peace.

“ Kelli and Family,
In the short time I had the pleasure of knowing Doug, I became very fond of him. Who wouldn't? What a great man. So kind, caring funny. Every time we would show up in the parking lot at work at the same time he was always the perfect gentleman and walked me to our door. Kelli, you know how much we all thought of him. I feel so blessed to have known him. He will forever be missed. I will always be here for you!
