“ *Sudha; Dolly; Neena and Arun; I am saddened to hear of Doctors passing. I have many fond memories of your family and the years that I worked for him. He was a great and giving man. He always liked teaching me new things and boy I was expected to remember the things he taught me. :) Sudha your children have all grown up since then and I know how Doctor was proud of all of you. He will truly be missed. Your family will all be in my thoughts and prayers.*

“ *To Sudha and family:*

My sympathy to each of you. I was totally shocked when I read a few minutes ago of Anil's passing. I respected and enjoyed Anil and each of you so much over the many years we worked together.. I am out of the city so unable to be with you for the services but please know that you are in my thoughts and prayers. There are so many good times to remember and look forward to the weeks ahead when I am back in the city to express in person my good thoughts about Anil and his beautiful family. May those good memories help you through the days ahead. Wendell
