“ *I was deeply saddened to learn of Laura's passing. She was a student in my A.P. English class at Loveland High School, and the recollection of her bright and eager face will forever be a part of my teaching memories. I see Laura sitting at her desk, just to the right of mine, wisely absorbing and contributing to the challenging and stimulating atmosphere of our class. At that time, taking an A.P. class was still an act dared only by the best of students, and I loved each and every one of them for taking the risk. Goodbye, Dearest Laura. In the words of the Tennyson poem we all memorized, "Though much is taken, much abides." Much does abide in the countless lives you touched.*

Love always to you, your mother, brother, grandmother, niece and nephew, and, of course, your beloved fiance. I would like to meet you, Jeff, and talk more about Laura.

“ Laura truly was an exceptional person and one of the nicest people I have ever met... I will never forget her smile and laugh and her sweetness to everyone around her. May peace and love surround her family and fiance during this very difficult time of loss. I will be thinking of you all and sending my prayers.

“ My thoughts go back to simpler times. Laura and I were in high school together. We didn't really run in the same circles but I will always remember her kindness to everyone including me. Her bright eyes and wonderful smile always filled the room. May GOD BLESS you Laura.
