“ *One of the hardest workers I have ever known. He was a tender and loving man whose smile would melt your heart, I wish he would have been able to show it more often. He was so peaceful and calm and it was a pleasure to speak to him and hear his great stories. You will be forever missed. SYOTOS*

“ *Dr Ray was a very special person to us. No doubt he was the best, most energetic chiropractor in this area. He did wonders for my back and I was priviledged to have worked as an assistant for him later. My husband and I enjoyed a visit with him at Tabatha a few weeks ago. He still had his cheerful smile even though we knew he would rather not have to be there.*

“ God must have needed an angel with healing hands and he chose a great man. His work here on earth was finished and now he can continue to do what he loved in heaven. He was a dedicated and caring man and many blessings for his son and daughter. May his work continue on through his son and grandson. You will be missed but not forgotten.

“ My memories of Ray and Veronica go back to our childhood in Lebanon, South Dakota. my siblings and I attended school with them. My father, Melvin Merrill worked for Beach Trucking for many years. As all of us grew up and left the Lebanon area we only had contact when we attended reunions in Lebanon. What fun we had in our growing up years and also when we returned for the reunions. My sympathy to Ray's family in this time of sadness. Norma Jean (Merrill) Gourlie
