“ *Denise, Cheryl, and Kevin,*

Teachers just don't get any better than your mom. It's been many, many years since I was in fifth grade, but I still remember how much fun she made learning and how special she made me feel. Your mom found ways to connect with all of her students. She set high expectations for all of us, and I think we tried hard to meet them because we loved her. I'll always remember her sense of humor and her smile. You are in my thoughts and prayers. God bless.

“ *Always loved Mrs Stange as my son's teacher, give her much credit in molding them to be the best that they can be. Her teaching has trickled down to my grand children thru the guidance of their parents. Think that Jean and Irving raised loving children. They were great mentors for all of us who went to Yutan School and they were instrumental in honoring our vets. God blessed us with Jean.*

“ To Jean's family, I'm so sorry for your loss. Losing a loved one is never easy.

I'm fortunate to say I had many wonderful elementary teachers but Mrs. Stange was always my favorite. She came to my wedding 13 years ago and at the reception she handed me a drawing that I made when I was in the 5th grade. To think that she kept that after more than 20 years had passed was so touching.

Last year I had the pleasure of visiting her in Wahoo with my two children. I felt so lucky to introduce my kids to someone who had such an amazing impact on my life. It was a special time that I'll never forget.

This is just how I best remember your parents, Irving and Jean. (But, it would be more accurate if your dad was wearing an apron and standing behind the meat counter at the store...) Great picture. Janice (Stamp) Wiles

“ *To all of Jean's family, Allen and I want to express our deepest sympathy in hearing of Jean's passing, she was a wonderful neighbor and we enjoyed her walks over here to visit, I also enjoyed delivering her chicken dinners to her on Friday's from Jeris's. She will be missed.*
