“ *We would like to express to you our heartfelt condolences on the death of your Mother. She was a real mover and shaker up at Our Redeemer and had much interaction with my wife Merle Whitehead(secretary), and they got along famously. Your Mother was one of the nicest people up there.*

*Wishing you much love,

“ *I have many special memories with Edna from spending time with her and my Grandma Helen. She will be greatly missed. She was a smart and witty lady. I enjoyed hearing stories from her about her days teaching. Her and my Grandma were quite the pair.*
