“ *To Christine: I never met Ed. I feel like I know him though, because you spoke so highly and fondly of him. At a minimum, you are honest, loving and out-spoken with everyone you come in contact with. You must have inherited these traits from your dad (& mom too, of course). The pictures that have been posted with you and your dad show the life, laughter & love between a dad & his daughter. Peace to you Christine, your memories will always be engraved in your heart, thank you for sharing.*

*\*Rest in peace, Ed. Now you can be with your family, and watch over your family on earth, from heaven.*
