“ *We were so sorry to hear of your dad's passing. So many memories of playing softball leagues and tournaments with the Tibke family team - with Ed leading the way on the pitcher's mound. The entire Tibke family treated my sister and I (and our parents) like we were Tibkes too. Ed and Wanda were salt of the earth people and that is reflected in each of their children. Denise and I are so grateful that we met Michele at Keystone Little League as kids and later became a part of the Tibke family team. Thank you Ed, Wanda and family!*

“ I remember all the great times we had together at the OSA office and on the field. Ed was the one I could always count on. At board meetings he always made sure myself and the rest of the OSA staff were taken care of. Now when I was wearing blue one time, I cant say that he like my strike zone. 😊 Such great times we had will never be forgotten and I will always remember the rest of the Tibke's as one of the most genuine families. Peace is yours now Ed and your memory will never fade from me.

“ Dear Tibke family my deepest sympathy to all, So many wonderful memories of Ed and Wanda. Ed was such a wonderful Husband ,Father and Friend. One of my fondest memory of Ed is when I came to the Tibke home he would give me a hug and try to mess up my hair he could be such a pill, but we always had a good laugh and I expected it everytime I visited. Ed had such a passion for softball and having his family come watch games! I truly loved being a part of the Tibke family Ed you are very special and definitely was always be in my heart may you rest in peace with Wanda!
