“ *Sympathy to your family. Loved Eleanor very much. Have many memories of going to Grandma Mae Keyser's house, and she and Aunt Lenny being there. She had a wonderful, wonderful life, but I'm sure you'll all miss her very much. She was a very special lady.*

“ *I marvel at almost 100 years of life! What a blessing to have had her all of these years. No doubt your hearts are aching because of missing her. But you have a lifetime of memories too that can help ease some of that ache. May God's promise at Revelation 21:3,4 bring you comfort in the days ahead. Remember that love never dies.*
