“ I HAD THE GREAT PLEASURE OF GETTING TO KNOW ERIN AS MY STUDENT IN SOPHOMORE ENGLISH AT MNHS. Not only was she a great student, she was just delightful to have in class everyday. Always smiling, always helpful to other students and me, always eager to learn. She was a role model to all. I often bumped in to her at HY-Vee in recent years and met her adorable children. Please know how much I share in your sadness at the loss of this lovely young woman.

“ My heart aches for the family and friends of Erin. I remember many hours I spent with her during her high school years. Just as I treasure those memories, I'm certain she leaves many fond memories for others as well. Erin's smile - as contagious as it is - and her kindness will always be fondly remembered.

“ It is with great sadness that I offer my condolences in your time of loss. Death at any age is too soon, because it was never part of God's original plan. I have also lost family and friends to death over the years and I am grateful that the scriptures provide reassurance, comfort, and hope, and answers to many questions about the condition of the dead. May you also find comfort in the many bible promises knowing that in time, there will be a resurrection and our loved ones will live again (Acts 24:15). May you also find comfort knowing that God really cares about you and what you are going through, and that your loved one is not suffering, but resting peacefully as if in a deep sleep until Jesus tells Erin to wake up (2 Corinthians 1:2-4; Ecclesiastes 9:5, 10). May these reminders along with the love and support from friends and family help you get through this difficult time. With heartfelt sympathy, Sherry

“ Wayne & Coke Morris, and Tariro & kids, Words cannot express enough heartfelt sympathy that you all are going through. When someone you loves leaves us they stay forever in our hearts and from time to time leave us little reminders of them.. so watch for the little reminders Erin will leave you and know she's with you.
