“ *I was a classmate of Erin's, we were assigned a project in LA to create a lost dog poster- And we created the most HILARIOUS dog. Her name was fish, with one floppy ear and one straight up ear. She at sand, barked at geico commercials, wore a superman costume, and was scared of the dark. That was one of my favorite times with her. -Ellie Brown 6th Grade EVVMS*

I am so truly sorry for your loss. She must have been a beautiful child and we do not fully understand why she left so soon. But may the love of others be with you and know that Heaven has welcomed her beautiful smile and cheerfulness. May God's love be with you always.*
