“ *Karen, I am so sorry to hear about "Little Erma". I always called her that at Ridgewood. I would go to visit my sister "Ramona" and always visit with Erma. I remember getting her little stuffed animals. She called her red teddy bear "Teddy". After your father. She would tell me stories of long ago of him. How much she loved dancing. I would talk to her about Fred Astaire. She didn't like movies much, she told me she was tired of them!Ha I will never forget her, nor her smile. Her twinkling blue eyes. That face she would make. My granddaughters were so fond of her. I have never meant anyone like her. She would brighten my days. Karen, I would have been there to tell her goodbye if I would have known. I went yesterday to visit Ramona, and ask where Irma was. When I was told I felt like my heart had been ripped out. I was so attached to her. I should have been there more often. Someone like Erma doesn't come into your life very often. I am so sorry for your loss Karen. May "Little Erma" and Ted be dancing together in Heaven. God Bless her, and her family.*

“ Karen and family,
I am saddened to hear of your mom's passing, she was an amazing lady. I worked at Ridgewood and was lucky enough to get to know her in my time there. She had that spark with a smile to match, it seemed almost contagious. She was always so kind and could make me laugh at the drop of a hat. I'll always hold the memory of her close to my heart.

“ Karen and Family,

We just heard of Erma's passing at a visitation we attended in Fremont Thursday evening. Our deepest sympathy to you and your family.

What a wonderful personality your mother had, Karen. I just loved her. The Midland College days come alive with our "Mom's Weekends" and having "hammies" at Irvs. Her smile lit the room, her friendliness was so contagious, and her love for life seldom matched.

Our hugs and love to you all with our thoughts and prayers from Seward, NE.

“ Our hearts are heavy since we heard of Erma's passing. Erma and Ted were such great neighbors. Our entire family has such great memories of our years living next door to them. I don't think Allen Street will ever have another street sweeper like Erma! She sure liked to keep those leaves in check. They were the best and we loved them!
Our love and sympathy to you all at this sad time. Leola and Jim
