“ *I remember Ervin especially fondly for the colorful stories he sent me about his younger days when I was collecting Rosacker family history and lore. He and my Uncle Warren must have been quite a pair. Not all of the stories were printable, I'll confess. It was great to see him and Marianne when they came to Washington for meetings. Ervin had an uninhibited love of people and life and a marvelous sense of humor. My deep condolences to Marianne, their daughters and the rest of their family.*

“ Marianne, I was sorry to learn of Ervin's passing but know he is in a much better place. I've always enjoyed being around Ervin during family gatherings when I was young and visiting with him while during visits to Yutan in my retirement years. Ervin served his family, his community and his nation well.

“ Ervin and Maryanne welcomed my husband to the farming arena when we moved to the farm near Yutan. He and Maryanne raised fine daughters and I knew that you would find him at church on Sunday. The thing I will always applaud him and his "fine wife", as he called her, for his appreciation of Yutan sports. When our kids played and now our grandchildren they were always there.

“ *Marianne, Connie, Nancy, Debbie & Theresa,
I am sad to hear of Ervin's passing. He was a wonderful gentleman
who I have known my whole life. I regret not seeing him more in
recent years, but I guess that is the way life is sometimes. He left a
great legacy of love, dedication dignity and duty. In this life there is
no better way to judge one's worth than to observe the family he
raised and the kind of people they have become. From that
measure and most any other, his life was as success of the highest
order. I congratulate him and Marianne in his success. While I morn
his loss, I congratulate him on a life well lived and a resting place
with Jesus that is well deserved.*
