

## Eugene Paul Kudlacek

January 25, 1939 - November 13, 2023

Eugene “Gene” Paul Kudlacek was born January 25, 1939 in David City, Nebraska to Parents, Ann and Emil Kudlacek and two older sisters Irene and Lorraine.

Gene’s family moved to Omaha when he was 9 years old. Gene grew up enjoying baseball, swimming, shooting his BB guns and fishing, especially in Minnesota.

After high school, Gene got his undergraduate degree at UNO. After that, Gene joined the Marine Corps Reserves during which time he met his future wife Connie when she was a senior in high school. They married the following fall of 1961.

Gene attended night school for 8 years to get his Master’s Degree in Accounting/Business while working and taking care of his family.

Connie and Gene had 4 sons, Chris, Patrick, Mike and Steve.

Gene built a successful Accounting Business in Elkhorn. He had a strong work ethic and made sure his clients knew they could trust in his honesty, dependability and integrity while building consistent friendships that lasted years.

Gene was a strong family man. He was a huge support to his wife and kids, always striving to see his children flourish and become financially independent. He enjoyed collecting coins and guns, spending time with his family and of course watching the stock market.

Gene is survived by his wife of 62 years, Connie. Sister Irene Whiting, his son Chris, his son Pat and Trish, his son Mike and son Steve and Tara. 7 grandchildren and 9 great grandchildren.

Family is asking that instead of flowers, they would be grateful for donations to Quality Living Inc. where his oldest son Chris lives and is cared for.

“ *Connie and family, I am so sorry for your loss. Gene and dad (Dale Byrd) had such a wonderful, long-lasting friendship, and dad told stories of their time together, especially their trip to California when they were just out of high school. Gene also did my taxes for several years so I was able to get to know him better. I'm sure dad was there to greet him, where they are both now able to cause trouble together! My thoughts and prayers are with you all. Mari (Byrd) Patania and family*

“ While my husband Dale Byrd was alive, and until his recent passing, he and I enjoyed many wonderful times with Connie and Gene over the past 20 years. We shared dinners at either restaurants or at each others homes, movies, holiday events, times at their condo on Lake Okoboji, or just meeting up somewhere. Prior to the past 20 years, Dale and Gene were friends since both were in 5th grade at St. John's elementary on the Creighton U. campus. Throughout the years since, many memories were built and many of those memories were shared between the two of them and sometimes Connie and I heard those fun stories, too. I will never forgot all those stories and memories. Delight Byrd
