“ *Dear Barb,  
We were very sorry to hear about your terrible loss of Fran. We've lost touch through the years but have thought of you often remembering good times we had in school and at Peace Lutheran. Please know that we're praying for you, Lisa, and the rest of your family as you grieve. We know that only God can give you the Comfort you need. Someday you'll be happily reunited with Fran and your wonderful parents. We're grateful that Jesus died for each of us and that we can have hope in Him.*

“ Dear Barb and family,  
So sorry to hear Fran lost his battle with cancer. I hope you and your family had many good days after his diagnosis you can cherish.... as well as the fond memories before his illness.

My prayers and thoughts are with you during these difficult times.

“ Barb, Lisa and family,

You have our deepest sympathy for the loss of your husband, father, and grandfather. Fran was a great person and will be greatly missed. "Hold on tight to your memories as they will give you comfort, lean on your family and friends for strength, live your life as Fran would want you to, and always remember he is with you in spirit."
