“ Kathy and Family: Although our time together was short, I feel like we got to know each other. Gus was so much fun, a very "high-spirited" Man. It has been my privilege to have gotten to know you and your Family during Gus's Hospitalizations and Rehab. You and your Family are in my thoughts during this very Sad time. “ Dear Mrs Armagost and family, Larry and I would like to send our condolences out to you and your children on the loss of your loved one, Gus. You probably don't know us but Larry shot trap with Gus and considered him a close friend. He was very sorry to hear that he had passed and asked me to tell you as much. He told me that Gus was really into guns, buying and selling. Please know that our hearts are with you at this sad time and we pray that your hearts are with the Lord. Sincerely, Larry and Ellen Jiskra
