“ *I wish to extend my sincere sympathy to the family of Gary and all who knew him. I will miss knowing that he is no longer around but of course, he is now in a much better place above.*

I recall picking him up at his parents in Leshara, NE when I had received a new car for my graduation from high school. Gary and I ran around in a group of guys which also included Bud Reed, Biff Hudson, Del Carlson, Larry Frye and Evars Karklins (Evars passed away several years ago). Gary was a great guy and great to be around. I will never forget him and the fun we all had.

Again, I am so sorry to learn of his death and my thoughts and prayers are with Janell and the family.

“ *My Uncle Gary was a man I admired and looked up to all my life. The times our families spent together throughout the years and my favorite was listening to all the stories about hunting ducks around Leshara back in the day and the times he spent in the deer stand. I am very thankful the opportunities he has given me to be apart of that. I will never forget. Our most heartfelt sympathy goes out to all his family, he will be dearly missed.*
