“ *I worked with Gary for several years at ITP and considered him not only a mentor, but a friend. He was instrumental in "teaching me the business" and I will always be grateful for how he poured into my life. I pray God sends His comforter to the family- John 15:26. You have my deepest condolences and may you be at peace.*

“ Gary was more than a co-worker - he was a friend. Gary loved his family and I have no doubt he will be watching his grandsons from a better place. When we cross paths again we can discuss Husker football over lunch - the onion rings are on me! RIP, Gary. - Phil M
