“ Dear Robyn, Amber and David,
I was so very sorry to hear of your dad's passing. Much too young. I want you to know how much I appreciated all the help your parents gave me, especially those months following my husband's death. They became such good friends to me. Will always have a special place in my heart. Wish I could have kept closer contact with them, but life just didn't happen that way.
I will be praying for God to comfort you in the weeks and months ahead. Losing your dad is very hard, especially such a great dad as he was to you. My love to each of you and your families.

“ I graduated with Gary from NLS in 1962. Gary was a big part of the schools first winning football team and conference championship. While in Grand Island I did some business with Gary and his pride in being part of that team always came up. God speed Gary and my condolences to the family.

“ *Robyn, Amber & David: My thoughts and prayers are with you all as you mourn the loss of your father. Gary was a friend of mine since we worked together at Farm Credit and I worked for him when he was an American Express financial adviser in Grand Island. I remember all of you as young teenagers and how proud he was of his family always. He always had compassion for everyone including all his clients. I know he will be missed by all of you. May God bless you all.*

“ *Sorry to read about Gary passing--- I knew he was not in good health---- I enjoyed working with Gary at PCA at a time when the Ag crisis of the 1980's were beginning--- During those times we had a few laughs together. You have all been in my prayers and will continue to be in my prayers has you continue to grieve-----Larry*
