“ Rob,
So very sorry for the loss of your father. I've been there and it's rough, but I can assure you of one thing. He'll never really leave you. He's a part of you. He'll always be with you in your heart. Hugs and much love, Jude

“ Remembering only a great man. Always smiling, laughing. He always had a hug to share and an ornery twinkle in his eye! Much love to all of You! My folks cherished their friendship with Cherry and Jerry!

“ My sincere condolences to the Prochaska family for your loss. Words can never express the pain and sadness that comes from losing those so close to our hearts, when they have been such a big part of our lives for so long. Take comfort in knowing that very soon we will see the promise in Revelation 21:4 fulfilled "And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Until then, keep close to your hearts all of your memories. May the "God of All Comfort" be with you in the difficult days ahead. (2 Corinthians 1:3-4)
