“ *I have the fondest memories of Glen from my childhood, having spent a lot of time at the Kahlandt's Waterloo farm with his daughter, my dear friend, Marilyn. He was so warm and generous -- like a big teddy bear in overalls. He always had a kind smile and twinkle in his eye. He supported all of the sports teams and drove us to many games and other school events. I moved away and hadn't seen Glen in more than thirty years when I ran into him unexpectedly while visiting family in the area; he hugged and welcomed me like a long lost daughter. He was one of a kind and will be missed by many, including me. My heart and prayers go out to you, Marilyn and the entire family. God bless you and know that your dad touched many lives over the years and he will not be forgotten.*

“ *Marilyn, time takes them away from us, but it can't take away our memories. I have very fond memories of both your parents, I hope you are doing well. Shirlee Schurman-Tourek*

“ Marilyn....I am so sorry to hear about your Dad. I hope he went peacefully. Seems the older we get the more we lose people close to our hearts. If there is anything I can do, just let me know. You and you family are in my prayers. Deb

“ Marilyn and family,  
I am so sorry to hear of the loss of your dear father. My deepest sympathies and prayers are with you. I remember the kindness of your father and mother when I was a little girl at your farm. It has been a long time, but I still remember how nice your entire family was. God bless and comfort you with treasured memories.

“ He's arm in arm with angels now,  
no longer has he any pain,  
he sits beside the throne of God,  
"He" calls him by his name.

he carries with him all your love  
and all the joys he's known  
he walks the golden streets above  
his Lord has called him home.
