“ To All the Henry family,

This is not about the day that Gloria was born nor the day that she passed. Today is the day to share about the life that she lived and the many lives that she touched in her journey. I am one such life. As a young girl growing up in Peru, NE I remember Gloria and her beautiful smile and face. She loved her children and was such a joy to be around. There was always laughter in their home and such a busy place all the time. Lanna and I were good friends back then and Gloria ran the home well as both our fathers made their living on the river and were gone often. Precious memories. I extend my heartfelt sympathy to all of you. We know Gloria is with her eternal Father. Her life well lived and loved. God Bless you all.

“ My family and I would like to express our deepest sympathy over the loss of Gloria.

May you find comfort in your loving memories and the warmth of family and friends. A scripture that has uplifted many who have experienced such a loss, is found at Revelation 21:4. There it describes a time when death and pain will be gone forever. We will even see our loved ones again who we have lost in death (John 5:28 & 29). It is our hope that these words bring you a measure of comfort during this difficult time as well. Once again, please accept our condolences as you deal with your loss.
