“ *She Marty, my prayers and love go out to you and family at your time of grief. Mr. Marty was a great friend to all that new him. Our families had great time together that I will treasure for ever. Marty called me the other night, we laughed and cried and talked about old memories before we said bye. He was going to carry my love to Chuck on his journey to heaven. I would imagine Marty and Chuck are wetting a and having a beer about now. RIP my friend and thanks for your service to our country. Still we all meet again.*

“ *Love ya, Blane. I'm praying for your family tonight. I know the ache of losing a father. I've been there. It hurts. Please take care of yourself and your family right now. You have a LOT of love from friends in Nebraska (and all over the world, I'm sure) that are thinking about all of you guys.*

BTW, you were a great friend to my father (Robert Dix). Thanks for your kindness and friendship. Keep encouraging others. That's what your father would want!

Peace in Jesus' name.
