“ *Worked with Harold for years. Nothing but good memories of Harold. When I heard we had lost him, the first thing I thought of was how much fun it had been to be with him.*

*And, of course he really knew how to live a full life and enjoy it to the max and do what he could to make it fun for himself and every one else near.*

*What a pleasure to have known Harold, the memories will always be there.*

“ We are sending out condolences from Denver, CO. We were saddened to her of the news of the loss of Jennifer's Dad. Unexpected loss always leaves us with the thoughts that there was something I should have said, but I am certain that Harold knew so well the love of his children and grand children.

Jennifer would tell us of how much Tyler enjoyed the summers enjoying their swimming pool. When I was young in Omaha, I enjoyed Peony Park's outdoor pool all summer and I know how much, as a boy, I enjoyed being around the water during those hot Omaha summers. But to have a pool in your own backyard, now that's a treat.

Please know that we will be praying for your family during this difficult time.

Sorry that we are not closer.

Love and Prayers, Tom and Betsy

“ Shawn and Louis family, so sorry to hear about Harold. We enjoyed  
talking to him when he would come to your house here in  
Columbus. By the way he would work around the yard and the  
house, you could tell he was a hard working man, a good man. Let  
us know if you need anything done here while you are in Elkhorn.  
Sincere sympathies to you and your entire family.
