Harrison Francis Miller age 18 of Elkhorn, NE passed away on Friday, December 16, 2022. Harrison was born in Omaha, NE on March 11, 2004 the son of Shannon and Murray Miller. Harrison graduated from Elkhorn South in 2022 and had just finished his first semester at UNL.

Harrison Miller's life was far too short but oh so full. Harrison played baseball, rugby and football. Harrison loved the Huskers and the Kansas City Chiefs and was a fantasy football champion. Harrison was an avid skier, had summited two Colorado 14'ers and hiked to the top of Diamond Head in Hawaii. Harrison went fishing in Iceland, saw the Roman Coliseum, had dinner atop the Eiffel Tower, visited Carhenge and was one of the last people to see Queen Elizabeth II. He hiked the Camino de Santiago, caught the Boss' guitar pick at a Springsteen concert, worked out at Muscle Beach and attended the Inauguration of a US President

Harrison was an active member of the St. Patrick's Youth Program, worked at Hy-Vee and frequently donated his time to worthy causes. In his brief time here, Harrison left a huge mark on this world and he will be dearly missed by his family and countless friends. How lucky we were to have had someone it is so hard to say goodbye to.
