“ *Dear Robin and family: I am sorry that your Mom is no longer with you. I know she was very dear to you and you did so much to look after her. I pray that Jesus will comfort all of you and walk with you as you adjust to her absence from you. I rejoice that you have the assurance, because of her decision to accept His gift of salvation, that you will be reunited with her again one day in our Lord's presence in heaven. With love, Chris Resch, Minneapolis*

“ *Dear Aunt Helen,
I too met you approx 14 years ago. I remember the day that I found you on the internet. My words were, "Are you sitting down?" We then talked for 3 hrs. About 4 months later you came out to NH with Uncle Bob and stayed with me for 2 weeks. Again a year later, you came out for one week. We had a great time with lots of memories. You filled me in on family things that I did not know about, especially about my grandmother Amy, your mother. Such nice stories too. Rest in peace my Aunt Helen. Love,
Your neice,
Janice*

“ *To Helen's Family,*

You have my heartfelt sympathy for your loss, my friends. Most of you don't know me, and Robin, you probably don't remember me because I was just one of many of Helen's roommates at Life Care Center of Elkhorn. I had the distinct honor of being with Helen for two weeks in October of 2007 after I fractured both ankles.

At the time I thought we were a match made in heaven. When she was awake Helen was warm and welcoming, helping me "learn the ropes." As a nurse on the "patient end" it was a whole new experience for me. I was keeping busy researching information for a chapter I was writing for a nursing textbook. We got along well. Helen never once complained about anything and taught me infinite patience.

Her long-fought struggle is now over. But now, as in life, she will continue to watch over you. May she rest in peace.

“ *My dearest Aunt Helen, I will miss you always. I made your acquaintance fourteen years ago shortly following the birth of my granddaughter, Allie, who was born on your birthday. We had many, many wonderful conversations and visits during that period of time and I grew to love you with much great affection. Though I only met you twice during that period of time, I felt I had known you all of my life. Your wonderful sense of humor cheered me, and I truly knew that you, too, enjoyed our long conversations. Your long illness and suffering are now over, and you are now in eternity with our Lord, God. To your wonderful family, my long lost family, I offer you my sympathetic love. God bless all of you. Love, Alice*
