“ *Wingender Family,  
I can't begin to tell you how sorry I am for you all! Rob (Robbie), we shared many great times together growing up as kids and a lot of those time were with you and your family! Your parents took us boating, to drive-in movies (my very first Rated-R "Porkeys" and they put up with all of our loud records we'd play in your room during sleepovers. Often I think of those times and it always puts a smile on my face. I know you will all miss them both but know that God has them. Please know that I am praying for you all. If you need or want to reach out, feel free to do so. God Bless!*

“ *My heart aches, and my thoughts go out to all of his family at this time. I only had the pleasure of knowing Bruce for a couple years, but he will always have a special place in my heart. He shared a lot of stories with me, so I know he's probably with his wife, drinking a coffee (or whiskey) and riding the highway in the sky. Bruce was a kind and caring man, and I'm truly going to miss him.*

*“Cousin by blood, friend by choice, brother by mutual agreement. I will miss you more than you ever knew although where you are at you already know. Robbie, Kenny, Keith, and Tonya, my condolences go out to you and in time you will realize he is with your Mom and in a better place. She is giving him advice as I type this.*
