“ *Dear Myers Family;*

While reading the online obituary, I observed the death of your love one. Death is an enemy to mankind and who can understand it? It can and does have a devastating effect on you and your family as well.

Can you imagine reading a newspaper with the headline; "When Death is Swallowed Up Forever....." What a wonderful time that will be. Revelation 21:4 offers this hope, it states: "And he (God) will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. " The former things have passed away." What a comforting hope.

If you would be interested in learning even more, I can send you a little tract that is entitled "What Hope for Dead Loved Ones"? If you have any Questions please feel free to contact me at this e-mail address here (b.molina56@yahoo.com).

I offer my sincere condolences, may the God of peace be with you and your family.

*Sincerely Yours,
Brandy Molina*
