“ *I was saddened to just now learn of Skip's passing. He showed confidence in my abilities and hired me for a position working for him at Enron. At the time, I was working for a contract company so this was a tremendous opportunity for me. I will be forever grateful for the chance he took with me. He was a good boss to work for and nice, family dedicated man. My sympathy to his friends and family. RIP Skip...*

“ *I am so sorry to hear about Skip's passing. I was a squad leader in Vietnam in 1967. Skip was my platoon leader. We worked together on many dangerous missions for the last ten months I was there ending in Dec 1967. I was there the day when we were ambushed. Lt Glatte at the time led the charge into the enemy while I provided for his flank security. I was hit by two hand grenades which I had sustained only minor injuries. I put Skip in for the Silver Star in which he received a few weeks later. I considered him a very close friend and I shall not forget him. He was born in 1941 and I was born in 1939. God bless his family.*

“ Dear Elena, Tina, David and families. I am so sorry to hear of the loss of your husband, father and grandfather. I always enjoyed running into Skip and Elena when we would be out walking. He always had a smile. Also remember the good times when I coached Tina in softball. Your dad was always cheering and would get pretty excited. Know that you are in my thoughts and prayers. Sincerely,
Cathy Brodersen
