“ *To the family*

Words cannot expressed how deeply sorry I am for your lost. It brings sadness in my heart when I hear another individual has fallen asleep in death. But from what I know is that we have a loving God whose name is Jehovah. (Psalms 83:18). Jehovah God loves us all and He also suffered the same amount of pain and sadness that you are all experiencing.

But one thing that Jehovah God can do that we cannot is bring back our love ones. John 5: 28, 29 says: "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, and those who practiced vile things to a resurrection of judgment."

Yes, Jehovah will send his son Jesus Christ to resurrect all our loves ones where we all can live on a paradise earth forever! Please, don't think this is just a mere fantasy dream. Jehovah will carry this out. He is a God of love. (1 John 4:8)

I know the pain still hurts but please, keep Jehovah God close to you to help you endure. I've attached an online tract from our website jw.org called "Can the Dead Really Live Again?" with scriptural information to support that question. This information and more could hopefully help you as you grieve. Again, I'm sorry for your lost; Please feel free to reach out if possible.

My condolences to the family.

“ Marilyn and family,
My heart goes out to all of you with your lose . Growing up I always loved spending time at your house. We had so much fun . I still have the tack box Jay made me for 4-H so many years ago. I regret not being able to come to the service as I will have grandkids here but know that we are praying for strength and comfort for all. Love

“ Sherry, Ted and family.

Sorry for your loss. I remember "Jake" as I called him from the old Western Electric days when he was in plant trades.
Take care.

“ My Uncle Jay was a man to be admired. He was always full of wisdom, kind, and placed a high value on all those he knew. A fantastic family man, he loved deeply each person he rubbed shoulders with. My regret is that I failed to spend time with him and Marylin this last opportunity. But he will always have an impact in my life.

“ We are saddened to learn that you’re mourning the loss of your dear love one. However, it saddens our God even more. No doubt, you have many fond memories which will resurface from time to time. And because you do have memories, certainly shows that almighty God has memories as well. Therefore, with full confidence you can take comfort in knowing that he longs to restore perfect life to all those in his memory (Job 14:13-15; Rev 21:3, 4). Please accept our condolences at this most distressing time.
