“ Dear Carter Family, I apologize for the late remembrance but I've been deployed to Iraq the past two years. Mr. Carter was so kind to me in high school. I worked hard in all his classes because he was such an excellent teacher. I also babysat for the Carter family occasionally - such nice kids. I'm a better human due to his care and concern for his students. Blessings as you grief and recover this loss. Warmly, Susanne E. (née Beckman 1969) Jalbert, Ph.D.

“ I was so sorry to hear about Mr. Carter's passing. I was a student of Mr. Carter at Elm Creek Public School in the mid 60's. One of the subjects he taught was typing. Since my watch had a second hand, he always borrowed it to time our typing proficiency.

I also babysat for the Carter children frequently when their parents wanted to go out for the evening. Mary Ellen was born during that time. They were cute - and good - children.

My thoughts and prayers are with all of you during this time.
