“ *Scott lived his life to the fullest. He was an excellent prankster and he loved to make people laugh. He was always a caring friend. Last time we saw him, he said he was living on borrowed time (heart problems) and that he had no regrets. He was an amazing friend and a wonderful person. He is sorely missed.*

Although it's been years since I last saw Scott, I have cherished memories all the way back to early days at church and school.
Thinking of all of you with love and my deepest sympathy. Linda Spence*
