“ *Dena, so sorry we could not be there for Jim's service. Jim was such a good friend to George and will be dearly missed. I always enjoyed his smiling face and friendly personality! Especially loved his motto, "Snack and nap!" He was truly a great guy! Know that you and your family are in our thoughts and prayers.*

“ *My friend Steve Schrier told me the sad news of Jimmy's passing. I offer my deepest sympathy and condolences to his family at this sad time. Steve, Jim, Dave Twohig and I were among a loose group of musicians and friends who played at Purcello's, The Marlyebone, The Joker and other area clubs in the late 70's. I liked Jim a lot and recall him singing "Your Cash Ain't Nothin' But Trash", "Let Me Roll It" and other songs of the day with his own unique style and delivery. I am fighting yet another cold or I would attend either the viewing or funeral to honor my old friend. My heart goes out to his family and all who mourn his passing.*
